

A personal trainer for AI.

For owners and leaders who feel behind on AI and aren't sure what to trust. Malcolm works through your real tasks with you, in plain language. No technical background needed.

Bring a task you wish took less time.

Private AI session

Start here. It works on its own.

\$750

90 minutes

- ✓ One-to-one with Malcolm on real, useful tasks
- ✓ You do the work yourself, hands on the keyboard
- ✓ Leave with steps you can reuse

You can also bring one friend for free if you choose!*

AI Fluency Accelerator

Six weeks of practice on your own work.

\$5,000

or 2 × \$2,750

- ✓ Six weekly 45-minute sessions
- ✓ A 45-minute check-in 30 days after
- ✓ 3 repeatable ways to use AI, written steps and a 90-day plan

Enroll within 14 days of your session and the \$750 counts toward it. All sessions run by video call.

*Your friend needs to run a different business.
